11. MATRICULATION FORM

London School of Business & Finance works with a network of educational and corporate partners to develop innovative industry-relevant programmes. Our portfolio of business school programmes is designed and tailored by our team of academic and industry experts and we have chosen the University of Wales to validate and award our MBAs and specialist Master's degrees.

Founded by Royal Charter in 1893, the University of Wales is one of the largest degree-awarding bodies in the UK, and also awards degrees for many overseas higher education institutions. The Chancellor of the university is His Royal Highness Prince Charles, The Prince of Wales, and more than 70,000 students from all over the world are currently pursuing University of Wales degrees.

As your London School of Business & Finance degree will receive the endorsement of the University of Wales you need to complete the form below.

11. MATRICULATION FORM (Continued)

Application for Matriculation as a Postgraduate Student

This form must be completed by candidates applying to register for higher degrees and university postgraduate diplomas and returned to the Validation Unit, University of Wales Registry, Cathays Park, Cardiff CF10 3NS, before the commencement of study.

Candidates for Master's degrees and University postgraduate diplomas and certificates may matriculate on the basis of holding a *recognised* degree or equivalent professional qualification. The University may also approve the admission of non-graduates whose relative lack of formal qualifications is compensated for by substantial relevant experience. The University has established protocols for the matriculation of non-graduate entrants to particular types of study. Such a candidate must have held a position of responsibility of relevance to the proposed scheme of study for an acceptable period of time. Irrespective of a candidate's entry qualifications, the University must be satisfied that he/she is of the required academic standard to complete the scheme of study proposed.

It is desirable though not a requirement of entry that candidates applying to register on an MBA have 2 years relevant and responsible experience in addition to the above mentioned entry requirements.

Please indicate, by ticking the appropriate box, the basis of your admission to your postgraduate scheme of study:
