Personal Statement

You are advised to complete this section as fully as possible and with particular care. In many cases this may be the only contact you have with the admissions tutors and your statement will be assessed as part of the admissions process.

As a guide your personal statement should cover topics such as your reasons for applying to your desired programme(s), your previous educational and employment experiences, personal qualities, future goals and career aspirations.

Please attach a type written sheet or continue on a separate sheet if necessary.

Declaration Of Criminal Record

In an effort to help the University reduce the risk of harm or injury to their staff and students caused by the criminal behaviour of other students we must know about any relevant criminal convictions an applicant has.

In this matter relevant criminal convictions are deemed only to be those convictions for offences against a person, whether of a violent or sexual nature and convictions for offences involving unlawfully supplying controlled drugs or substances where the conviction concerns commercial drug dealing or trafficking. Convictions that are spent, (as defined by the Rehabilitation of Offenders Act 1974) are not considered to be relevant and you should not reveal them (**however see next paragraph**).

If you are applying for a programme in health or social work which may involve work with children or vulnerable adults, you MUST tell us about any criminal convictions, including spent sentences, cautions (including verbal cautions) and bind-over orders. Due to the nature of these programmes they are exempt from the provision of Section 4(2) of the Rehabilitation of Offenders Act 1974.

By virtue of the Rehabilitation of the Offenders Act 1974 (Exemptions) Order 1975 and the Child Act 1989, applicants are not entitled to withhold information about convictions which for other purposes are "spent" under the provisions of the Act. If you are offered a place on one of these courses and before you commence your studies, you will need an 'Enhanced Disclosure Document' from the Criminal Records Bureau or the Scottish Criminal Record Office Disclosure Service.

Have you been through the Criminal Records Bureau Enhanced Disclosure process in relation to your current employment?

Yes

If yes, please state the date and reference number:

Do you have a relevant unspent criminal conviction?

Yes

Applicants who have a previous conviction will not be automatically excluded from the application process. However if you have ticked **Yes**, please disclose details of your offence and conviction, including dates and courts convicted at. This information should be submitted along with your application form in a separate sealed envelope, clearly marked confidential with your name and date of birth on it. Any information disclosed will be handled and disposed of securely by Middlesex University in compliance with the Criminal Records Bureau Code of Practice, the Data Protection Act and other relevant legislation.

If you are convicted of a relevant criminal offence after your application has been submitted, you must notify us. The University may request further disclosure from you and your offence may affect your application.

References

For **Undergraduate** applications please submit a single academic reference. For **Postgraduate** applications please submit two references. The first reference should be academic and the second character reference can be from an employer or other source.
