## Notes for guidance when completing your application form

### Note 1 Language

Students whose first language is not English must show that their command of the English language is sufficient to enable them to follow an advanced programme in English. If English is not your first language and you have taken an English language examination, please give details and enclose a certified photocopy of the test result. If you do not have the required level, any offer of a place at the University may be subject to your taking an English test (IELTS or TOEFL) before admission and/or attending one of the University's English language courses. Refer to the prospectus for English language requirements and details of the English language courses or contact postgraduate admissions.

### Note 2 References

You must obtain references in support of your application to the University. Please refer to the relevant section below for details of the number of references you require and who should act as your referee.

#### Then:

- Provide your referee(s) with a reference sheet provided with this form (having first completed section A).
- The reference must be written on official headed paper and returned to you in the envelopes.
- The references are confidential, therefore the envelopes must be sealed and signed across the seal by the appropriate referee before being returned to you. You should then send them to us together with your completed application form and any additional information required.
  - a. **If you are applying for a Foundation degree programme:**  
You will require one reference in support of your application. Your reference should normally be from your employer, although we will accept one from a referee who is familiar with your academic work.
  - b. **If you are applying for a part-time Bachelors degree or part-time 'top-up' degree programme:**  
You will require one reference in support of your application. Your reference should normally be from a referee who is familiar with your academic work, although we will accept one from an employer if it is more appropriate.
  - c. **If you are applying for a Masters or Postgraduate research programme:**  
You will require two references in support of your application to the University. Both referees must be familiar with your academic work, preferably from the institution at which you have recently studied/currently study. If you are intending to substitute an academic qualification with specific work experience you must obtain approval to submit an employment reference instead.

### Note 3 Criminal Convictions

Applicants for places on teaching and social work programmes, some health programmes, or **any** programme involving work with children or vulnerable adults must declare any conviction including those which are spent and including cautions (verbal or written) and bind-over orders.

All other applicants need only indicate relevant criminal convictions. For the purpose of this application, relevant criminal convictions are those convictions for offences against the person, whether of a violent or sexual nature, and convictions for offences involving unlawfully supplying controlled drugs or substances where the conviction concerns commercial drug dealing or trafficking. Convictions that are spent (as defined by the Rehabilitation of Offenders Act 1974) are not considered to be relevant and you should not reveal them unless you are applying to a programme of study that the nature of the programme of study gives you the right to practice a profession exempted by the Act.

Applicants who have a relevant criminal conviction will not be automatically excluded from the application process. The University will contact you for details of the offence, which will be considered by a panel of senior University staff.

If you are convicted of a relevant criminal conviction after you have applied, you must inform the University.

**Please note if you do not declare a criminal conviction and this comes to our attention at a later date, it will be treated as a disciplinary offence by the University of Winchester.**

### Note 4 Students with an equivalent or higher education

The government has announced changes to the funding in place for students wishing to study a qualification who already hold another qualification which is at an equivalent or higher level. As a result, the University is assessing changes that may need to be made regarding fees and funding for students in this situation. For up-to-date information please visit the University website.
