

University of Glamorgan

International Postgraduate Environmental and Engineering Scholarships 2007

The University is offering 30 scholarships covering 50% tuition for the following postgraduate courses in the Faculty of Advanced Technology:

[MSc Business and Real Estate Management](#)

[MSc Construction Project Management](#)

[MSc Safety, Health and Environmental Management](#)

[MSc Civil and Structural Engineering](#)

[MSc Civil Engineering and Environmental Management](#)

[MSc Civil Engineering for International Development](#)

[MSc Quality and Environmental Management](#)

[MSc Environmental Conservation Management](#)

[MSc Environmental and Waste Management](#)

[MSc Sustainable Environmental Development](#)

[MSc Mechanical Technology](#)

[MSc Total Quality](#)

Applications for these courses should be submitted to the university as normal and then a scholarship application form will be sent to you together with your offer letter. Scholarship applications will then be assessed by the Faculty of Advanced Technology and successful applicants will be informed in writing.

The deadline to receive application is Friday 27th July, however scholarships will be allocated on a first come first serve basis.

Application Deadlines

For your information the following are application deadlines for 2007:

Applications
